MS&E 472
Skilling Auditorium
Wed. 4:30 - 5:30PM
etl.stanford.edu

etl-ta@lists.stanford.edu
etl-tech@lists.stanford.edu
etl-dinners@lists.stanford.edu

Janice Roberts **Managing Director, Mayfield Fund**

Janice Roberts is Managing Director of Mayfield Fund, focusing on Mayfield's investments in networking components and systems, mobile communications and consumer-oriented companies.

Janice serves on the boards of companies including Quickoffice, Pixim, PlayFirst, RAZZ, Sennari, SunRocket, and UbiCom. Janice's notable investments include Convedia (acquired by RadiSys); Mobile 365 (signed definitive agreement to be acquired by Sybase); and Peribit Networks (acquired by Juniper Networks).

Prior to joining Mayfield, Janice built a successful early-stage investment portfolio as president of 3Com Ventures. Janice holds an honors degree in commerce (economics and finance) from the University of Birmingham in the United Kingdom.

Announcements

Mayfield Fellows Program Information Sessions

Wednesday, January 17 - 5:30 - 6:30 PM

Tuesday, January 23 - 5:00 - 6:00 PM

Terman Engineering Center, Fourth Floor Lounge

The Mayfield Fellows Program is a nine-month program on high technology entrepreneurship that teaches science & engineering students about entrepreneurial leadership in emerging technology companies. Find out more at <http://mfp.stanford.edu>.

BASES Career Fair

January 18th, 10-4pm, Tent between Packard & Gates

Post-Presentation Event

Take time to meet up with your classmates and speakers at our weekly mixers.

Today's Focus: **Talk to one person who has taken ETL before and one person new to the class. Which speakers are you most looking forward to?**
